This peer reference will be helpful in evaluating the applicant's qualifications for the SanPietro Travel Prize. It should preferably be completed by a Caltech faculty member who can comment on the applicant's academic and personal qualifications for this prize. Students participating in this program will travel for fun and personal growth for 2 weeks to 3 months during the summer.

Craig SanPietro, Caltech class of 1969, generously endowed a summer travel prize open to rising juniors, seniors and continuing and graduating seniors. Travel provided Mr. SanPietro with a new perspective and allowed him to broaden his horizons. In his words, *"Since leaving Caltech in 1969, I have traveled through almost 40 countries, mostly in the third world. This travel has greatly enriched my life and I want to make similar experiences available to Caltech students. Exotic travel is giving oneself the opportunity to be in cultural and physical situations so different from what one is accustomed to that one is mentally challenged and feels more alive than usual."* It is in this spirit that he wishes to share this opportunity with Caltech students.
