- **At UCPH**, for science subjects, the term is split into 2 intensive blocks that are approximately 9 weeks long. The 2nd block continues into January. You must get permission from the prof. to take the final exam before you leave in December in order to take 2nd block courses.
- **At DTU**, the block system refers to the time schedules of classes. Classes are taught in 4 hour blocks consisting of a lecture session followed by a problem solving session overseen by the professor.
