Institute of Technology

Course = Subject

**A Course is the
Option/Major degree.**

A Subject is a class.

**The Handbook is the
Subject Catalog**

Study Abroad Program

- Two application rounds a year
 - Semester 1 (February – June)(NO)
 - Semester 2 (July – November)
- **** Caltech students can only apply for the Semester 2 round.**
- Study for one or two semesters
- Undergraduate and graduate programs available
- Enrol in three or four subjects (courses) from any discipline area
 - Very few class quotas/extra sections are created
- Live in a single room in a 4 person flat in the Student Village at the south end of campus:
- <https://campuslivingvillages.com/australia/melbourne/student-village-the-university-of-melbourne-campus/>

Entry requirements

- Minimum GPA of 3.0
- Students need to have completed two semesters of full-time study before commencing at Melbourne.
- Some subjects have pre-requisites.
- Students need to meet home institution requirements. *Caltech students must take 2 subjects at the U Melbourne closest to their Caltech option.*
- **Caltech students apply through regular study abroad application process for nomination.**

**What can I
study?**

Academics at Melbourne

QS World University Rankings place the University of Melbourne in the top 20 internationally in 14 subject areas including:

- Accounting and Finance
- Anatomy and Medicine
- Computer Science
- Education
- Law
- Psychology

Popular areas of study for Study Abroad and Exchange students at the University of Melbourne include:

- Psychology
- Biological Sciences
- Education
- Engineering/Science
- Finance and Economics
- Humanities
- Fine Arts and Music

Popular subjects

Based on the previous five years, the following subjects have been popular for incoming study abroad and exchange students:

- Street Art
- Australia Now
- Music Psychology
- Wellbeing Motivation and Performance
- Going Places – Travelling Smarter
- Australian Wildlife Biology
- Food for a Healthy Planet
- Indigenous Australia
- Beer Styles and Sensory Analysis

Pre-approved subjects

You can now also self enrol in over [400 undergraduate subjects](#) that don't have prerequisite requirements

- You don't need to list these pre-approved subjects on your application
- Very few class quotas so you are guaranteed a seat in one of these classes
- You can enrol in these subjects once they have accepted your offer to study at Melbourne
