	ous mail, regular mail, or hand delivered by the letter writer. If the reference caled envelope with the letter writer's signature on the seal. Open letters

* This section to be completed by reference writer *

Information for recommender: This reference will be helpful in evaluating the applicant's qualifications for participating in one of Caltech's official study abroad programs. Please reference the applicant's academic and personal qualifications as well as character. Students participating in a study abroad program will take courses in or highly related to their Caltech option. Note that this recommendation is not just for internal selection but will also be forwarded to the university abroad if the student is accepted into the Caltech Scholars Program. Please complete all portions of the form as requested and

include a signed letter. Incomplete evaluations cannot be considered. An electronic version of this form is available at http://fasa.caltech.edu. Letters may be sent to the FASA Office via campus mail, regular mail, or you may hand deliver it. If the reference is delivered by the student, it must be in a sealed envelope with your signature on the seal. 1.) In addition to this form, please attach a Letter of Recommendation commenting on the student's qualifications, both personal and academic, for study abroad. This reference will be read by faculty at the study abroad university as well as the Caltech selection committee. Please be sure to sign your letter. 2.) How long have you known the applicant? ______ In what capacity? _____ 3.) How does the applicant compare with the better Caltech undergraduates you have taught? Please complete the evaluation chart below. Check the box that best indicates your opinion of the applicant's qualifications. Please compare the applicant with other Caltech undergraduates at a comparable level of education and research experience. Inadequate Above Average opportunity Exceptional Outstanding Unusual Good or below Average to observe Next Next Top 5% Next 10% Next 5% 15% 15% 1. Mastery of basic knowledge in student's option 2. Familiarity with and ability to use laboratory techniques 3. Ability to express self orally and in writing 4. Originality and imagination in academic work 5. Capacity for conscientious, hard work 6. Potential for future growth in science and engineering 7. Ability to get things done independently 8. Adaptability to new situations 9. Reliability 10. Impression applicant will make abroad academically and socially 5) From my knowledge of this applicant, I am willing to give my: __ Full Endorsement **__ Qualified Endorsement** Name (please print) ______ Department
