

Quick Guide: Finding Times for Cambridge Classes Without a Posted Timetable

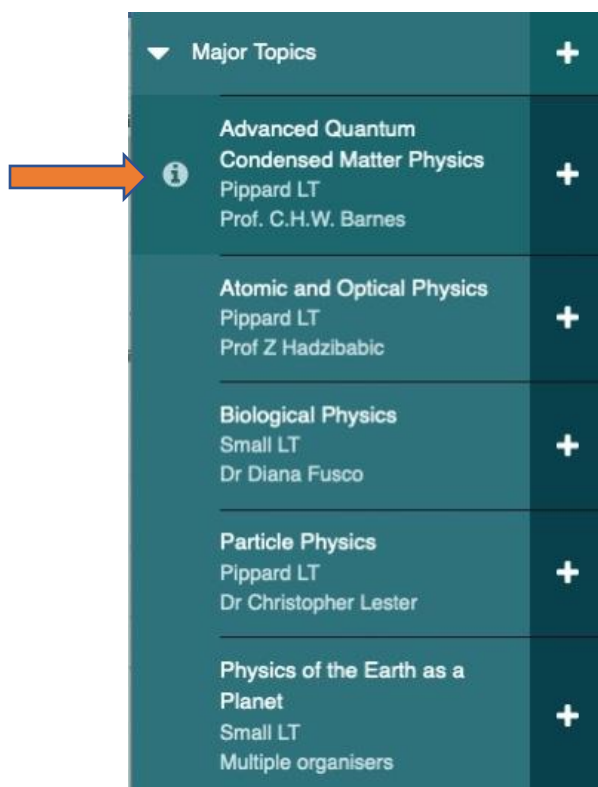

Works for Computer Science Tripos, Physics, Mathematics, PBN, Chemistry, Chemical Engineering, most Tripos options except Engineering.

1. <https://2021-22.timetable.cam.ac.uk/>, start here.

2. Select **Subject** and **Part** number:

3. Click on the subheading; if you hover over the course, an “i” will come up on the left side:

4. Clicking on that “i” gives you a list of lecture times and locations:
